New transportable clean kit

Wednesday, 10 June 2009

Here's an interesting new kit from [M-Pro 7](#) that comes in a soft-sided case. Notable is it can be commercially transported worldwide due to its non-flammable and non-hazardous contents. It contains all the products and tools needed to clean and maintain firearms ranging from a .22 caliber to a 12-gauge shotgun.

For \$53.95, you get:

- > 2 oz. M-Pro7 gun cleaner
- > 2 oz. M-Pro7 cleaner lubricant protectant (CLP)
- > Zippered folding nylon case
- > Screwdriver handle multi-section aluminum rod
- > 5 assorted bronze bristle brushes (for calibers ranging from .22 to 12-gauge shotgun)
- > 7 assorted bronze and plastic jags
- > 75 assorted swabs/patches
- > M-16 utility brush
- > Silicone cloth
- > Standard and shotgun patch loops
- > Chamber flag
- > M-Pro7 weapon maintenance guide
