January 2009 - Product Patrol

**Degreaser**  
**Strike-Hold**

Strike-Hold brand degreaser is an economical yet powerful concentrated degreaser that provides the grease and grime removal properties of a solvent cleaner yet is water-based and therefore much easier and safer to use than harsh solvents. Degreaser is strong, yet gentle on the hands. In addition, this formulation is scientifically controlled to be extremely powerful, nontoxic, and biodegradable. It is economical and provides a safe, fast cleaning action that can be sprayed on surfaces and simply wiped off for most application situations.

**Tactical Kit**  
**M-Pro 7 Weapon Care**

Designed with the needs of tactical shooters in mind, this kit contains all the products and tools needed to clean and maintain weapons for optimal performance and reliability. Packaged in a high-quality locking case, the kit includes: gun cleaner, cleaner lubricant protectant, copper remover, 50 cleaning patches, gun cloth, gun rod, five assorted bore brushes, utility brush, shotgun brush adapter, .22 Caliber Loop, foam gun pad, and the M-Pro 7 Weapons Maintenance and Product Guide. Unlike Other kits, the M-Pro 7 Tactical Gun Cleaning kit can be commercially transported worldwide due to its non-flammable and non-hazardous contents.
