M-Pro7® Weapon Maintenance Systems Unveils New Travel Cleaning Kit

Phoenix, AZ (May 18, 2009) - M-Pro7® Weapons Maintenance Systems announces the line's newest product, the M-Pro7 Travel Cleaning Kit. Developed for traveling law enforcement and military personnel, this compact kit was designed to meet TSA regulations.

The new M-Pro 7 Travel Cleaning Kit contains all the essentials for maintaining your weapon in travel-ready sizes. The 2 ounce M-Pro7 Gun Cleaner and Gun Oil included are under TSA liquid requirements and are non-toxic and biodegradable. The T-handle sectional rod is under the 7 inch TSA tool limitation. The kit also contains high quality patches, slotted ends and an M-Pro7 Weapon Maintenance Guide. Compatible with all caliber brush sizes (sold separately).

Packaged in a rugged travel pouch with Velcro® closure, the M-Pro7 Travel Cleaning Kit is perfect for organizing a range bag or luggage.

M-Pro7 Weapon Maintenance Systems reduce weapon maintenance time by up to 80% and exceed MILSPEC cleaning system requirements. Other kits available from M-Pro7 include the M-Pro7 Tactical Cleaning Kit and the M-Pro7 Soft-Sided Tactical Cleaning Kit.

The M-Pro7 Travel Kit (\$39.95 MSRP) will be available at fine weapon and shooting supply stores in May 2009. Please visit www.MPro7.com.

*Note: TSA officers have sole discretion of product allowances through airport security zones. M-Pro7 does not make any assurances or guarantees that TSA employees will allow any contents of the M-Pro7 Travel Cleaning Kit within the security zone even though they fall within stated TSA guidelines.

M-Pro7® Weapons Maintenance products were designed for the military, law enforcement and high use weapons. M-Pro7 technology reduces weapon maintenance time up to 80%, exceeds MILSPEC cleaning system requirements and is commercially transportable world-wide. In line with Pantheon Enterprise's standards for safe technology, all M-Pro7 products are odorless, non-toxic, non-hazardous, biodegradable, non-flammable and environmentally friendly.

M-Pro7® is a registered trademark of Pantheon Enterprises, Inc., Phoenix, AZ. Pantheon is a privately held industrial chemical manufacturing company that replaces toxic chemicals and processes with high performance non-hazardous technology. Pantheon sets the standard for corporate responsibility through proactive ideas and products that accelerate global sustainability while producing profits.
